

TODAY'S NEWS

St. Teresa's School - Week 4, Term 2

Te Aroha

Please when you are next shopping could you by an extra box of tissues to send to school. Runny noses are visiting us! Thanks.

Te Whakapono

Space is a vast place and the range of wonderings in Te Whakapono reflects this! Some students have created some wonderful art, planets, scientific discoveries, researched about planets and more. Others are on a totally different pathway, investigating things from pets to computer programming.

In Religious Education we are being Missionaries to the Planet Beetlegeuse (which just happens to be a star!). Just like the apostles of Jesus, we are going to take our message of the power of His Word and the wonder of his life to them. Currently we are gathering together ideas of all that we require to share with them, and practicing what we will say to make others believe in the wonder of God the Father, God the Son and God the Holy Spirit!

Te Rangimarie

Swimming and snorkelling classes are continuing, the kids are really enjoying the experiences and thankfully the weather has continued to bless us.

School Mass & First Holy Communion

Thank you to those of you who joined us for School Mass on Sunday. It was especially important to 24 children from the school and parish who received their First Holy Communion.

Entertainment Books

We are selling this year's entertainment books from the school office with \$13 from each sale going to the PTA.

If you wish to purchase an electronic version please ensure you select our school name online so we get the donation. Thanks!

Netball

This week we have both teams playing!

Please make sure that you are there, ready to warm up for the game half an hour before game time.

Parking can be an issue - if you are finding it difficult to find a park on the road, I have found that parking at Hagley High School across the road can be convenient - it does cost, as they are fund raising for the school at the same time, last year it was \$3, I'm not sure about this year.

Team A

Congratulations to Malia Sula for being Player of the Day in last weeks game.

It was a hard fought come back from a big deficit at the end of the first quarter. We won the last two quarters of the game - but just fell short of the target. Great work team! Congratulations to Belfast on their win. 18-12

Team B

Bye

This week:

Team A - Court 13 - vs Rowley School at 12:20pm - Warm up begins at 11:50am

Team B - Court 19 - vs Belfast at 8:40am - Warm up begins at 8:10am

- Thanks Dianna Hanne

Missing Uniform

One of our student's is missing her school pinafore. It is only 3 or 4 months old and it has 'Kauia' written on the tag. Please could you check that it hasn't made it's way home to your house. Many thanks.

Tomorrow - Friday the PTA will be selling a sausage sizzle and hot chip lunch.

Sausage in bread \$2

Pottle hot chips \$3

Orders will be taken outside the office before school.

BINGO NIGHT!

Only 2 weeks until our annual bingo night. Tickets are available from the school office for \$10 (entry, first round card & complimentary drink) Be in quick to get your entry tickets as it will be first in first served - you don't want to miss out!

Raffle tickets are also available as part of this fundraiser, great prizes, \$1 each. Thanks for your support.
